Grant Conditions and Obligations

- The applicant hereby confirms that in the case of a positive funding decision, he/she agrees to the publication of the following data: name of applicant, project title, and the grant amount awarded. Research in connection with the grant must be completed 2023. The grant recipient(s) are willing to participate in a meeting in 2023 in order to introduce their research and to evaluate the pilot call for proposals. Furthermore, grantees will provide the Division of Cultural Affairs with material from their research for a publically accessible archive.
